

4 Little Spiders

4 little spiders trying to catch a fly
The 1st one said "I'm so hungry I could cry"
The 2nd one said "how come they're flying so high?"
The 3rd one said "my mouth is so dry"
And the 4th one said "my oh my"

"Oo-oo" went the wind and away blew the web
And the 4 little spiders headed home to bed.
