

YOU'VE BEEN GRINCHED!

Keep the misery going by following these directions (or don't, we really don't care):

Step 1: "Enjoy" your "treats"

Step 2: Share the "You've Been Grinched" sign on social media using the hashtag #GRINCHED. Let's be honest, there's no point in putting up a sign in your window because no one is coming to your house this time of year (it's not Halloween).

Step 3: Within two days, make two copies of these instructions and two copies of the "You've Been Grinched" sign. Better yet, download the originals from sprinkledwithpaper.com/Merry-Grinchmas.

Step 4: Assemble the "care package" for your friends using super annoying gifts (you'll probably just want to re-gift the crap we gave you).

Step 5: Secretly deliver to two neighbors or friends who haven't been Grinched yet.

Merry Grinchmas!
